VISITOR CHARTER

“Working together towards a better environment “

The management at Ringwood Hall Hotel & Spa are committed to preserving our natural environment and helping to reduce the demands placed on the earth's resources.

We naturally want you to enjoy your stay with us and would like to make the following suggestions as to how you can assist us in our commitment to responsible tourism.

CONSERVE ENERGY: reduce energy consumption by switching of lights and closing windows when the heating is on.

BE WATER WISE: Please use water thoughtfully

REDUCE, REUSE, RECYCLE: We have on site facilities for recycling glass, plastic, paper and cardboard

GIVE THE CAR A REST: Take advantage of our eco bike hire facility

RESPECT NATURE: Help us look after the landscape and wildlife by not littering. Guard against fire and use pathways and cycle ways responsibly. Please advise us if you see anything within our grounds which could have a detrimental effect on the environment.

SHOP LOCAL: Use local products which will give you a real “taste“of the area and help to support the local community. The reception team will be delighted to assist you and advise you of local markets or organic food and drink suppliers.

SUPPORT GREEN TOURISM BUSINESSES: We work hard to create a better environment so please where you can support us and other businesses working hard to create a better future.

Please ask if you would like to see a full copy of our Environmental Policy and we welcome any suggestions that you may have on how we can make further progress in our commitment to environmental awareness.
